Privacy policy

This privacy policy applies to the use of www.georganics.sk.

By using our site, you consent to our online privacy policy.

Security

Georganics chemical company stores, processes, maintains and protects customer information. We follow accepted industry standards to protect any personal information you have provided to us. Secured information is available only to an employee of the company that requires access to such information for which the information is intended. We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information.

Registration and Use of Personal Information

We also provide visitors to our website the opportunity to receive communications from us. In this case, we ask the visitor contact information. These communications will include our regular newsletter, product promotions and any other information that we feel may be pertinent to the visitor. You may opt out of receiving these communications by emailing us, by clicking on the 'unsubscribe' link in any newsletter email we send to you, by replying to any newsletter email we send you and entering the word UNSUBSCRIBE in the subject line.

Again, if you provide us with your contact information for the purposes of receiving communications from us, this information will not be shared with any third-party organization.

You have the right to request: information about how your personal data is processed, a copy of that personal data. You have the right to access, correct or update your personal data. Under certain circumstances, you have right to request that we delete your data. Under certain circumstances, you have the right to restrict the processing of your personal data.

Log Files and Cookies

This website utilizes industry standard analytics packages which gathers limited information on visitors to our website automatically, and stores this anonymous information in server log files. This information may include IP addresses, browser type, basic IP information, referring pages, operating system used and date/time stamps. This information does not identify individual users; it is used only for site administration, as well as for analysis of website usage and trends.

Cookies may be used to provide easier and faster access to website features such as repeat visits. Cookies are very small text files that are stored on personal computers for reference purposes. We do not store any personally identifiable information you have submitted while on our site (such as your name, email address).
