G-newsletter

Issue #1
December 2011

Dear business partner,

We would like to thank you for your support during 2011.

We are pleased to inform you that we have prepared new 2012 Georganics product catalog, which contains 96 brand new and renewed products.

However, it only covers a typical selection of the chemical products and our Sales Department welcomes any inquiries for not specifically listed organic compounds.

The catalog as PDF is available for download here or check our website for periodically updated online catalog.

New products November / October

2-Phenoxybiphenyl

Alpha-2-chloroisodurene

4-Benzyloxyphenyl isocyanate

4-Bromo-2-ethoxythiazole

2-(1H-Pyrazol-1-yl)aniline

Thiazole-5-carboxylic acid

Click to see More new products

Temporary discontinued products, however, we still have limited inventory in stock

4-Aminoindole

5-Aminonicotinic acid

6-Amino-5-nitro-2-picoline

2-Amino-4-pyridinecarboxylic acid

8-Azahypoxanthine

N-Benzylmaleimide dihydrate

We look forward to working with you in the coming year and hope our business relationship continues for many years to come.

Please do not hesitate to email us with comments, suggestions, or questions.

You have received this email because we want to give you fresh information about our products. If you wish to be informed about new products by email, please **SIGN UP** for our G-newsletters, else it is not necessary to do anything (This is only an introductory email).

Happy New Year & Best Wishes,
The Georganics team
